YOUNG INDIA
By (Mahatma Gandhi)

In this second edition of "Young India" the publishers have made considerable additions and the book is brought up-to-date. Mahatmaji's articles in Young India prior to its removal to Ahmedabad have been made use of, while all the leaflets and messages on Satyagraha which Mahatmaji issued in the Stirring days of April to October 1919 and which are now not available, have been collected and incorporated in this edition. Matter relating to and subsequent to Mahatmaji's release from Prison and his hospital life has also been added.

A new feature of this edition is an unique chronological index prepared by Miss Elizabeth S. Kite that was kindly forwarded to us for our use in this edition by the Rev. J. H. Holmes of New York. Over 240 Pages have thus been added to the New edition. Rs. 4/-
